

## RURAL & REMOTE PARTICIPANT AGREEMENT

---

*Please initial each line item*

- ☐ I agree to commit to the process of the program from start to finish. I understand that I will receive TRAINING and educational RESOURCES to assist me in my online job search. I understand that Rural & Remote DOES NOT provide me with a job. Rural & Remote is not an employer.
- ☐ I understand that the goal of the program is to CONNECT residents of northwest Kansas with remote working opportunities, and give them an ADVANTAGE in the rigorous and competitive online job market.
- ☐ I understand that the program is provided FREE OF CHARGE to me by the generosity of the Economic Innovation Center, INC. and the Hansen Foundation.
- ☐ I agree that although there is not a financial cost to me, there is a cost of time and commitment to the program on my part. This is not a program to take lightly, or to just dabble with because it doesn't cost me any money. **If I am not fully committed to at least a 6 month process, the Rural & Remote Program is not a good fit for me.**

Please plan for 10-15 hours per week on course assignments, job search, continuing education, internship/apprenticeship applications.

- Group coaching calls during and after completion of course
- Frequent communication with program coordinator
